

Safety of products sold online

Guidance to improve market surveillance of the safety of products sold online

Cooperation with industry actors

International cooperation

protected as consumers buying offline

Practical tools for Market surveillance authorities

Empower consumers to buy safer products

ECCG meeting 1 December 2016; agenda point 3: questions for discussion

- 1. Do you agree that the safety of products sold online needs to be ensured?
- 2. How do you see a more active role of consumers when buying products online?
- 3. How, from a consumer perspective, can we improve the Website of the Rapid Alert System? (http://ec.europa.eu/consumers/consumers safety/safety products/rapex/index en.htm
